Corrector	Product description		Oil obtained from the olive fruit (Olea Europaea), produced by the use of sole mechanical or other physical conditions which do not involve alterations in the oil and has undergone no processing other than decantation centrifugation or filtration. T high amount of polyphenols and vitamin E (important antioxidants) and t monounsaturated oleic acid make the extra virgin olive oil a product of great benefit the health.						
OLIPAN	Recommendations for use		Try the wonderful flavour of extra virgin olive oil on salads, pasta, fish, meat, and a dishes of the Mediterranean tradition.
